

# CUET Syllabus 2025 PDF

**CUET 2025 Syllabus** covers topics across 27 domain subjects, languages, and general test papers. **National Testing Agency(NTA)** updates the subject-wise syllabus PDF on their website to enable the aspirants to learn about “what to cover”. Students are advised to download the syllabus for CUET UG 2025 to align their study goals with the latest curriculum suggested by the exam conducting authority. As per the latest updates, **CUET UG 2025** is expected to be held in the third week of May. The exam will be conducted in CBT mode in around **4 shifts**. Besides gaining insight into the important topics, students must learn about the exam pattern to enhance their chances of securing the highest score. CUET 2025 syllabus will vary based on the domain subjects chosen by the aspirants. However, the general test syllabus will remain the same and students have to answer questions on Quantitative aptitude, Logical reasoning, General knowledge, and others. As far as the language paper is concerned, students can choose from **13 Indian languages in Section IA and 19 language options from Section IB**.

The CUET 2025 syllabus includes the following sections:

- **Part A:** General awareness, general English, quantitative aptitude, and logical reasoning
- **Section 3:** General test, which includes general knowledge, current affairs, general mental ability, numerical ability, and reasoning
- **Language test:** Reading comprehension, which tests students' fluency in the language
- **Domain subject:** Based on the NCERT model syllabus for the subject students choose while filling out their application form

The CUET syllabus 2024 must be understood to develop a preparation plan. We've provided the CUET 2025 syllabus PDF here so that candidates can easily access it. This page allows candidates to easily download the CUET UG syllabus 2025 PDF. Students are also advised to check the [CUET exam pattern 2025](#) to understand the paper pattern to plan for the preparation and ace the exam.

Spanish 218

Tibetan 219

Sanskrit 220

## **Detailed CUET UG 2025 Language Syllabus**

The language section has 40 questions and the total time duration is 45 minutes.

In this section of CUET syllabus 2025, the students are checked for their proficiency in the language. The students can expect questions in the form of comprehension passages, unseen passages, etc. for testing their grammar and vocabulary basics.

- For the comprehension section, one will be evaluated based on understanding a passage and its central theme, meanings of different words used, synonyms, etc.
- The grammar section checks for correction of grammatically incorrect sentences, spelling errors, filling the blanks with appropriate verbs or words, etc.
- They must go through 1000-2000 synonyms & antonyms to improve their English Vocabulary.

## **CUET UG Syllabus for Domain Subjects**

The CUET UG Syllabus for Domain Subjects covers a wide range of subjects. The domain subjects are relevant to undergraduate programs offered by the CUET exam. Depending on the domain or discipline chosen by the candidate, the syllabus may include subjects such as Mathematics, Physics, Chemistry, Biology, English, Social Sciences, Humanities, and Computer Science. The CUET UG domain subjects list and syllabus are released by NTA and candidates can check it on this page.

## **CUET UG 2025 General Test Syllabus**

The General Test is usually considered as the difficult section for the students. The CUET syllabus 2025 question paper in this section tests your knowledge in the below-mentioned area.

- General Knowledge & Current Affairs
- General Mental Ability
- Logical and Analytical Reasoning
- Numerical Ability
- Quantitative Reasoning (Simple application of basic mathematical concepts arithmetic /algebra geometry/ mensuration/ statistics taught till Grade 8)

It may be noted by the students that this section is not compulsory for many programs and colleges. However, the students should attempt all sections for admission to UG courses offered under CUET 2025.

# CUET 2024 Syllabus of Home Science
