## **IIITH UGEE 2025 Paper Analysis**

IIITH UGEE paper analysis 2025 has been updated here.

- As per the interactions with students, the chemistry section was easy.
- SUPR was easy, and 6 to 7 questions were asked from Chemistry.
- 3 questions were asked from Organic Chemistry focusing on IUPAC, Chlorination.
- Physics was easy from SUPR but tough from REAP, covering long questions.
- Aptitude questions focused on coding and decoding. No questions from Dice were asked.
- A student who appeared in the exam said candidates appearing for JEE Mains would easily solve the SUPR questions (35 out of 40).
- Questions from REAP could easily be compared to JEE Advanced.
- IIITH UGEE 2025 Paper was easier than 2024.
- Analytical questions were few, and intellectual questions were more.
- The expected cutoff for the REAP section will be less than assumed by the difficulty level.
